

Denise M Linclau BSN RN MSA

Happy and healthy greetings to the MCUSD family.

I am a Detroit native and received my BSN from Wayne State University in Detroit, MI.

I received a Masters of Science in Healthcare Administration from Central Michigan University in Mt. Pleasant, MI. I worked on my MBA – (life got in the way of my thesis) from Michigan State University (GO GREEN!) .

I earned a Certificate in Healthcare Economics and a Certificate in Healthcare Education from The Wharton School at the University of Pennsylvania Philadelphia, PA.

I have been a Registered Nurse for nearly 46 years and in Healthcare Management and Administration for 35 Years. I am blessed with experience in all areas of Healthcare; with a primary focus of clinical expertise in Emergency Services, Trauma, Disaster Rescue and Critical Care.

I have been in the Meridian School District since January, 2016. I am blessed with a fantastic family: 4 living siblings in 4 different states. I am a single parent of two wonderful sons. My oldest son, Marty and my daughter by another mother, Kate, live in Southern Maryland with my grandchildren, Mila Marie, 5 and Isaac Martin, 3. My youngest son, Russell is home in Detroit with my grandchildren, Carson Rose, 5 and Walt Russell, 3.

I LOVE to travel and have been blessed, not only with social travel, but also Christian Mission Ministry often combined with medical missions. The only continent that I have not traveled to, and left on my bucket list, is Antarctica and the only ocean is -yep, the Southern Ocean. This visit is not high on the list! Close to home, I love ANYTHING outdoors - even in the winter. Gardening is high on the list. I wish I had more time to read - love to do that. The arts are way up there as well.
