

# Google Classroom Parent's Guide

Think of Google Classroom as a virtual space where students can find their assignments, resources from their teacher such as learning videos, and a place for them to connect with their classmates.

**What is Google Classroom?**

Click the **GREEN** star for a video tutorial to learn how you can receive Parent Notifications from your child's Google Classroom.

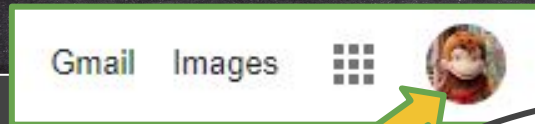

1

Step 1: Students sign into their Google account

Username: firlast##@students.meridian223.org

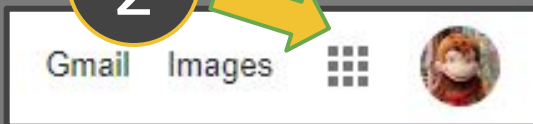

Password: \*\*\*\*\*(12)\*\*\*\*

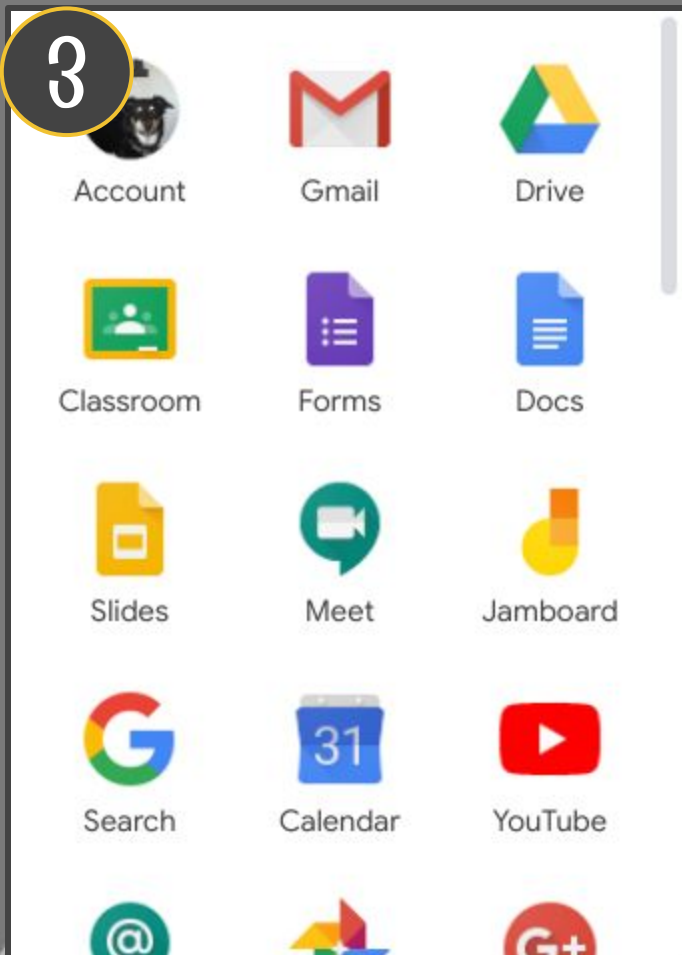

Google Account: Curious George  
(curgeor28@students.meridian223.org)

Once students are signed into their Google accounts, they have instant access to many apps.
